Event Information

UAFP will be hosting the first ever Southern Utah Family Medicine Conference, November 7-8, 2025 at the Black Desert Resort in beautiful Ivins, Utah!

The conference will include topical family medicine CMEs, our Annual Awards Dinner and Member Meeting, and a chance to golf on Utah's newest world class golf course and enjoy other family-friendly activities in beautiful Southern Utah.

The Venue: Black Desert was the last golf course Tom Weiskopf was involved in designing. Golf Digest writes, "Opened in 2023, the public course is a stunning juxtaposition of wavy fairways chiseled out of fields of black lava rock that had to be blasted into golf formations."

This event is built for UTAH family physicians with priority registration given to members of the Utah Academy of Family Physicians. This will be an excellent opportunity for your organization to interact with a group of family medicine physicians from around the state.

Sponsoring offers a variety of cost-effective ways to increase your organization's visibility and attendee awareness to ensure the maximum return on your investment.

Thank you in advance for your consideration in supporting UAFP. Please feel free to reach out to Barbara Muñoz with any questions at munozb@utahafp or 801-736-0722 x 2.
